

# Oxford Hills Technical School Maine Vocational Region 11

## Director

Oxford Hills Technical School (OHTS) seeks a dynamic, ambitious, and creative educational leader to join our team. OHTS is a vocational region (Maine Vocational Region #11) providing career and technical education programming to high school students from Oxford Hills Comprehensive High School and from Buckfield High School. We are co-located on the campus of Oxford Hills Comprehensive High School (OHCHS) and serve approximately 600 students in 19 widely diverse CTE programs including automotive technology, culinary arts, early childhood education, and pre-engineering.

The Director serves as the co-leader of OHCHS along with the high school principal. The Director is responsible for all career and technical education programming. The Director also serves as the superintendent for MVR #11 and facilitates all Board activities. The successful candidate must be a certified building administrator (040). A masters degree is required. The candidate must be a creative problem-solver, a collaborator, an effective communicator and team player. This is a full time, year-round position with full benefits.

The position starts July 1, 2022. Applications will be accepted until May 24, 2022 or until a suitable candidate is hired. Interested candidates are invited to submit a letter of interest, resume, copy of certification, three letters of reference, college transcripts, and completed application form.

Applications may be submitted electronically to the OHTS Secretary, Lisa Letourneau at [l.letourneau@msad17.org](mailto:l.letourneau@msad17.org), or mailed to Oxford Hills Technical School, PO Box 313 Norway, ME 04268.
