Mountain Valley Middle School Assistant Principal Search

Position to begin July 1, 2022

The Assistant Principal of Mountain Valley Middle School (MVMS) is responsible for assisting in the leadership and day-to-day management of the educational program for approximately 350 students in grades 5-8.

The building is set in the western foothills of Maine in Mexico; we are hoping to build a new learning complex for all Mountain Valley students in grades PK - 8. Our next leader will help us move toward this vision. The district has a strong focus on diversity, equity, and inclusion.

We are looking for a leader who is empathetic and understanding and aware of the needs of middle school students. Consistency and good communication skills are also key components for a leader at MVMS. Being a part of a team is critical, and coaching, supporting, and working with staff is highly important.

This area has a high rate of poverty so we are also looking for someone who is trauma informed and understands how ACES impacts learning. The leadership focus needs to balance social emotional well being with academic achievement.

We are looking for an outstanding leader for Mountain Valley Middle School. You will have encouraging, progressive, and convivial teams of people to welcome and support you.

Please apply by contacting –

Margaret “Peggy Therriault
Administrative Assist. to the Superintendent and Assist. Superintendent
