RE: New – Two-week ad for next edition

Please run the following Help Wanted/ Classified Display ad for the next edition.

**School Union 76**  
**Deer Isle-Stonington High School Principal**  
**Deer Isle, Maine**

The Deer Isle-Stonington Community School District (CSD), is a public K-12 district of 340 students (two schools K-7 and 8-12), located in the beautiful coastal towns of Deer Isle and Stonington Maine. We seek an Instructional Leader who will help lead Deer Isle-Stonington High School over the next five years to improve how we engage with student learners in and out of school. We are seeking an instructional leader who will support a dedicated and hard-working staff in better understanding what we have learned about student learning and Social-Emotional Learning (SEL) needs during the pandemic. Our next leader needs to take what we and educators around Maine and the nation have learned to develop new instructional ideas, strategies, concepts and “Best Practices” to support greater student and staff success! We need to both engage and re-engage our students with their learning in the 21<sup>st</sup> Century by making improved connections within both our local community and the world at-large through a more integrated, hands-on curriculum. We need to embed proven instructional strategies in day-to-day planning and learning so as to increase long-term student learning and success through real-world experiences and project-based learning opportunities. The staff of Deer Isle-Stonington High School have been committed to developing a more student friendly and caring school environment over the last three years and we wish for these efforts to continue and be strengthened.

Over the last three years, through strategic and community planning, a community-supported direction has been set for Grades K-12. In order for our District and schools to realize our mission and vision we must better engage with our learners, their families and our communities to be a more academically challenging, integrative and community-involved school. A school where our students will thrive and unlock their potential while they are with us and be better prepared to move into our communities, Maine and the world of tomorrow when they graduate. We seek an educator, a Leader, who combines instructional planning and out-of-the-box thinking excellence along with knowledge of “Best Practices” in supervision, shared-leadership, Social Emotional Learning, place-based learning and consensus building.

Determined, enthusiastic, creative and organized educators who have some successful administrative experience supporting high expectations for learning and working with grades 8-12 students and staff, who are encouraging and who have supported or developed improved student engagement are encouraged to apply!

The Deer Isle-Stonington School Board understands that the next five years are critical for Deer Isle-Stonington High School. We need an educational leader to be in and out of our classrooms, who will both focus their efforts on the day-to-day academic, behavioral and social skill development of our students and staff as well as helping us develop our school of tomorrow.

**If you are hard-working, goals-driven and dedicated to student, staff, school and district improvement and want to join an administrative team in School Union 76 with these same traits we urge you to apply!**

**Qualifications: Must hold or be eligible for principal certification in Maine.**

**Salary range: Negotiable and highly competitive with county principal salaries based on skills, experience, talent and education with a competitive benefits package, 220-day contract and up to a 3-yr. contract possible.**

**Application Deadline: Until a suitable candidate is found.**

**Starting Date: Immediately**

**For application information, please contact Receptionist Whitney Brown, Office of the Superintendent at [wbrown@su76.org](mailto:wbrown@su76.org) or 207-348-9100.**
