Dr. Phyllis Deringis, “Service to Maine Youth” Award

The Maine Principals’ Association understands the motto “it takes a village,” and recognizes the tremendous number of hours that people around the state volunteer to help support Maine students. Because of this, the MPA established the Dr. Phyllis Deringis, “Service to Maine Youth Award” in honor of Dr. Phyllis Deringis, Assistant Executive Director of the Maine Principals’ Association who retired after 16 years of service.

The recipient of this award is Peter Richards of Vinalhaven. Mr. Richards has been a school volunteer where he has clearly impacted Vinalhaven’s pK-12 school for over a decade. He is most known for brining hands-on math manipulatives to school where he works with 2nd-5th grade students and tutors high school students who need additional support.

According to a teacher, “Mr. Richards is a true teacher and an excellent asset to the students at our school.”
